

## Session Program

29 June 2025 to 3 July 2025

Evolutionary rescue: bridging the gap between theory and experiments   
Max Planck Institute for Evolutionary Biology  
Plön, Germany  
June 30 - July 3, 2025

Invited speakers:  
Helen Alexander  
Lutz Becks  
Robert D. Holt  
Laure Olazcuaga  
Jitka Polechová

Organizers:  
Hildegard Uecker  
Matthew Osmond

# Evolutionary Rescue - bridging the gap between theory and experiments

## *Pre-school*

Max Planck Institute for Evolutionary Biology  
August-Thienemann-Strasse 2 24306 Plön Germany

## Sunday 29 June

14:00

### **Pre-school: Introduction to mathematical modeling for beginners**

**Session** | **Location:** Max Planck Institute for Evolutionary Biology, August-Thienemann-Strasse 2 24306 Plön Germany

15:00

14:00

### **Pre-school: Paper discussion**

**Session** | **Location:** Max Planck Institute for Evolutionary Biology, August-Thienemann-Strasse 2 24306 Plön Germany

15:00

15:00

### **Pre-school: Models of Evolutionary Rescue I**

**Session** | **Location:** Max Planck Institute for Evolutionary Biology, August-Thienemann-Strasse 2 24306 Plön Germany

18:00

19:00

### **Pre-school: Paper Presentation**

**Session** | **Location:** Max Planck Institute for Evolutionary Biology, August-Thienemann-Strasse 2 24306 Plön Germany

20:00

## Monday 30 June

09:30

12:45

### **Pre-school: Models of Evolutionary Rescue II**

**Session** | **Location:** Max Planck Institute for Evolutionary Biology, August-Thienemann-Strasse 2 24306 Plön Germany
