

# Evolution of interacting populations

## Monday 16 September 2019

### Session 4: Session 4 - Lecture Hall (11:30 - 13:30)

time	[id] title	presenter
11:30	[14] Mutation-selection stationary distribution in structured populations	YAGOOBI, Sedigheh
11:50	[15] Eco-Evolutionary Dynamics in a Randomly Switching Environment	MOBILIA, Mauro
12:10	[16] Coupled demography of two sympatric lizard species	PEREZ-MENDOZA, Hibraim
12:30	[17] Artificial selection of microbial communities	SHOU, Wenying
