

Modeling Diversity in Cancer And Virus Evolution

Thursday 17 May 2018

Session 8 - Lecture Hall (09:00-10:30)

time	[id] title	presenter
09:00	[22] Keynote: Tibor Antal	ANTAL, Tibor
09:50	[29] Discussion: What can cancer evolution learn from virus dynamics? What can virus evolution learn from cancer dynamics?
